

Notice

The Cherokee County Commission is now accepting applications in accordance with its Personnel Policy for the position of **Highway Maintenance Technician - I** until the close of business on Friday, April 19, 2024. Applications will be accepted at the County Commission office located in the Cherokee County Administrative Center, 260 Cedar Bluff Road, Suite 103, Centre, AL 35960. A complete job description is available for download at www.cherokeecounty-al.gov/employment-opportunities.

Job Summary: Includes, but is not limited to the following duties: General maintenance activities of the Cherokee County Highway Department such as patching potholes, sign installation, transport of various materials to and from job sites, roadside mowing, etc. This is a semi-skilled position that requires varying degrees of manual labor. Employees may be required to work in extreme conditions due to storm damage or other emergency situations.

Knowledge and Skills: The successful applicant must be willing to follow instructions, both written and oral, and possess a good attitude when dealing with other employees and the general public. A familiarity of the Cherokee County area will be considered beneficial, but is not required. All applicants must possess a current commercial driver's license, Class A or B (CDL) at the time of application.

Salary and Benefits: The minimum starting salary for this position will begin at \$12.93 per hour. Salary is negotiable based on successful applicant's related experience, education, and training. Successful applicant will be awarded county benefits which includes Blue Cross Blue Shield health insurance and participation in the State Retirement System. First consideration shall be given to all present employees of the Cherokee County Commission, who are eligible for the position. In addition, successful applicants will be required to submit a pre-employment drug screen and subsequent random testing as required by the Cherokee County Commission. The Cherokee County Commission is an Equal Opportunity Employer.

- Performs operations with tractor, brush cutter, bush hog, and tractor mower.
- Operates dump truck for hauling materials to/from work site.
- Operates tractors with various attachments in performing ROW maintenance.
- Applies patching material to roads.
- Cleans ditches and cuts back bushes and weeds.
- Mows grass, prunes shrubs, rakes grass from County property.
- Completes assignments as required.
- Follows plans and instructions regarding projects.
- Trains on more advanced equipment as time and conditions permit.

ESSENTIAL FUNCTION: Herbicide Spray Operations. Performs weed control on County right-of-way (ROW) using herbicides and other weed control products.

- Mixes appropriate chemicals for application as directed by the Superintendent and according to herbicide instructions.
- Fills spray truck with herbicide and transports to application locations.
- Maintains logs as required to show which herbicides are being applied at what location, district, and the application rate.
- Operates spray truck to spray roadsides in designated areas.
- Immediately notifies Superintendent and County Engineer of any chemical spills or accidents.

ESSENTIAL FUNCTION: Equipment Maintenance. Performs routine and preventative maintenance on assigned vehicle.

- Performs daily safety and maintenance vehicle inspections on assigned equipment.
- Performs preventative maintenance on equipment.
- Monitors gauges and other indicators during equipment operation for non-standard conditions.
- Ensures assigned equipment is fueled.
- Reports equipment maintenance status to the Superintendent.

ESSENTIAL FUNCTION: Manual Labor. Performs manual labor tasks following departmental policies and procedures in order to ensure proper maintenance and efficient operations of the department.

- Performs flagman duties to direct traffic around worksites.
- Ensures the proper signage is visible during maintenance operations.
- Shovels asphalt, rocks, dirt and other materials during road repairs.
- Assists with forming and pouring concrete on projects.
- Uses a chain saw to cut trees and bushes from ROW.
- Digs trenches, assists in setting pipe.
- Installs and cleans drainpipes.
- Cleans ditches and cuts back bushes and weeds.
- Picks up and piles brush, refuse and other materials.
- Loads and unloads construction materials and supplies.
- Moves and transports items weighing over 50lbs.
- Performs other duties as assigned.

Knowledge, Skills and Abilities

(* Can be acquired on the job)

- *Knowledge of County rules, regulations, policies and procedures.
- *Knowledge of the County road system.
- *Knowledge of road maintenance work.
- Knowledge of herbicide usage and chemical interactions.
- Knowledge of chemical handling, storage and disposal practices.
- Knowledge of traffic rules and regulations.
- Knowledge of the safe operation and maintenance of light duty trucks and equipment.
- Knowledge of basic vehicle maintenance.
- Knowledge of safety rules including accident causation and prevention and worksite safety regulations.
- Reading skills to understand, and interpret daily schedule, traffic signs, and other road signs.
